

Training Course and Seminar on Broadband Dielectric and Impedance Spectroscopy and Its Applications

Montabaur, Germany, October 4-6, 2017

Questionnaire for Attendees

Deadline for submission: September 11, 2017

The Workshop organizers intend to prepare the seminar content (lectures, discussions, hands-on experiments) such that the interests and knowledge levels of attendees are adequately reflected. Please support us by supplying some information about your current knowledge level, scientific/technological interests with respect to broadband dielectric/impedance spectroscopy, and the areas that you are most interested in.

Name (please print)	
Organisation (e.g., University)	
Email address	
Current knowledge in the field	(e.g., absolute beginner, 20 years of experience..)
Typical samples to be characterized	e.g., ceramics, polymers, thin films, liquids, also mention particular conditions (T, p, humidity, etc). Please mention samples you intend to bring to the seminar site and have investigated during the Training Course.
Particular interests
